SUBJECT: Health Care in Lincoln County**SUMMARY**

Lincoln County has one hospital in Caliente; the Grover C Dils Medical Center, on 700 North Spring Street near U.S. Highway 93 North. Grover C. Dils offers a total of 20 beds total – 16 are reserved for long term care and 4 are for acute cases. There are two full-time equivalent physicians and 2 physician assistants at Grover C. Dils. These 4 people cover all services at the hospital, at the clinic in Alamo, and the 24 hour emergency room. The facility employs about eight licensed nurses.

The hospital is seeking grants to fund upgrades/renovations because of the possible rail line construction. Grover C. Dils is looking into opening a new clinic in Caliente (administrator is in contact with congressman Hobsin about this); the medical center wants \$725,000 for hospital renovation for additional long-term and acute care room renovation and would like to add 4 to 6 acute beds. Ideally, the medical center would like to start doing minor surgeries too. Surgeries are currently referred to Utah (Cedar Medical Center, 1.5 hours away, St. George medical center 1hr 45 min away) or to Las Vegas.
